Sir:

In response to the Notice to File Missing Parts of Application, on August 21, 1998, Applicants submitted a letter without attached a return postcard. To ensure that the response has been received, Applicants hereby resubmit the following correspondence and enclosures:

On June 5, 1998, we received a Notice to File Missing Parts of Application requesting a small entity status statement and a declaration. On or around August 18, my secretary, Rebecca Joyce, telephoned your office. The Examiner she spoke with indicated that there was in the file a copy of the declaration, but that the small entity status statement was missing.

I am enclosing herewith copies of the following documents which we mailed to the Patent and Trademark Office on March 23, 1998:

1. A Power of Attorney by Assignee;
2. A Statement Claiming Small Entity Status;
3. A Declaration for C-I-P Patent Application;
4. A response letter; and
5. A postcard indicating receipt of the above by the PTO.

As indicated on the transmittal letter and the postcard, the Patent and Trademark Office should have already received the small entity status statement.

☒ The Commissioner is hereby authorized to charge underpayment of any additional fees associated with this communication or credit any overpayment to Deposit Account No. 06-1325. A duplicate copy of this authorization is enclosed.
